Register Of Merit

Chinese Shar-Pei Club of Canada

At the time that a minimum of seven (7) get (with the said get coming from at minimum of 2 different litters) sired by a CKC registered dog have earned either their CKC Conformation Championship Title or CKC Obedience Title, the owner of said dog may apply to the CSPCC Executive for the title of “Register of Merit” for the dog. A maximum of two (2) of the seven get may be CKC obedience-titled only or may be AKC conformation championship titled. A dual-titled dog (CKC conformation championship and obedience or a CKC & AKC Conformation championship title) will be counted only once, as a conformation championship get. Upon confirmation of the application data, the CSPCC Executive will issue a Register of Merit certificate to the dog. Such title when used in print may be abbreviated as “ROM” and is to be used following any obedience title designations after the dog’s registered name (e.g., CH Fido CDX, TDX, ROM).

At the time that a minimum of four (4) produce (with the said produce coming from at minimum of 2 different litters) out of a CKC registered bitch have earned either their CKC Conformation Championship Title or a CKC Obedience Title, the owner of said bitch may apply for the title, “Register of Merit” for the bitch. All other rules are the same as for the dog, except a maximum of one (1) of the four produce may be obedience-titled only or may be AKC conformation championship titled.

This award may be applied for and/or awarded after the death of the dog/bitch. It will only be awarded once per qualifying dog or bitch. A listing of those dogs and bitches which have earned the ROM designation may be published periodically in the CSPCC official publication; The Wrinklegram.

If you.....

If you can start the day without caffeine,

If you can get going without pep pills,

If you can always be cheerful, ignoring aches and pains,

If you can resist complaining and boring people with your troubles,

If you can eat the same food every day and be grateful for it,

If you can understand when your loved ones are too busy to give you any time,

If you can take criticism and blame without resentment

If you can ignore a friend's limited education and never correct him,

If you can resist treating a rich friend better than a poor friend,

If you can conquer tension without medical help,

If you can relax without liquor,

If you can sleep without the aid of drugs,

...Then You Are Probably The Family Dog!

Wrinklegram health matters!

Things to Know when Hiking in Spring with Your Dog.

Spring hiking often means MUD! Whether you are out in the wilderness or on a city trail, melting snow, early season rains, or mountain run off all spell fun in the mud for dogs. Dogs seem to have no aversion to blasting through puddles or forging ahead along a muddy trail.

Things to watch out for when hiking in the spring:

1) Ice on rivers or lakes. The worst thing I have ever witnessed was a dog going under the ice. As ice around the edges of lakes and rivers thaws, it is very unstable and easy to break through. Keep you dog away from melting ice. That way you will avoid having to mount a rescue mission or deal with a worse tragedy.

2) Wildlife. If you are hiking in the mountains and areas where bears hibernate, they are coming out of hibernation around the end of March. Be alert when hiking and make lots of noise. Watch for signs of bear activity and make sure your dog is on leash. If you see signs indicating a bear may be in the area, **LEAVE!**

3) Rising water levels. This is especially important in mountain areas where snow at higher elevation is starting to melt and causing rivers to rise and possibly over flow their banks. Small creeks can quickly turn into rushing torrents of glacial melt water.

4) Mud. Most dogs aren't bothered by mud and some actually seek it out to play in! Just watch for slippery areas for you

and your dog. If you drove to your hike, bring a towel or two to wipe you dog off before getting back in the car.

5) Ticks. Always check your dog and yourself to make sure no unwanted hitch-hikers have attached themselves. Tuck your pants in your socks to prevent ticks attaching to your ankles.

Photographer: David Lacey

The Chinese Shar-Pei Club Of Canada
Minutes – Executive Meeting
February, 16, 2006 – By Teleconference

Roll Call

Jacquie Golden
Anik Viger
Sharon Palmay
Andrea Robins
Karen Hollis
Stephane Dalton - absent
Lyne St. Gelais – absent

Meeting called to order at 8:15pm Eastern Standard Time

Motion to accept the Jan17, 2006, minutes as written made by Andrea and seconded by Karen.

President:

Code of Conduct – Andrea will print off the CSPCA's and send to all exc. For changes to make it Canadian.

Logo for Banner – Karen is working on it, has the lettering but still needs to clean up the picture for a higher resolution. The Banner for rescue needs a head which will be superimposed on a Maple Leaf. The rescue banner needs to be done before/by March 20/06..

ROM – to be sent to the list and mention that it was approved in the past just hadn't been acted upon.

Anik will send email to Michelle for an update on the 2006 Nationals.

Boosters 2006 – Limestone show – July – Anik has sent all information to Limestone club including our officers names, positions ect. , but has not heard back from them with the confirmation. Anik will now try to contract their club president.

1st Vice President Report – nothing to report

2nd Vice President Report – nothing to report

Secretary Report – 40 members have paid their dues as of today (Feb. 15/06), 18 haven't. Anyone that hasn't renewed by March 1/2006 will be removed from the club yahoo list and membership directory.

Treasurer Report – Accepted as presented. Motion by Andrea to accept the report and seconded by Sharon.

Show Chairperson Report – no report

Central Director Report – no member at this time

Eastern Director Report – absent

Western Director Report – nothing to report

WrinkleGram – Will be out by end of February.

Unfinished Business – Rescue Banner – see above.

New Business - none.

Next meeting March 14, 2006 at 8:00pm Eastern Standard Time

Meeting adjourned at 8:55 EST.

Jacquie Golden
Secretary

March, 21, 2006 – By Teleconference

Roll Call

Jacquie Golden
Anik Viger
Sharon Palmay
Stephane Dalton
Lyne St. Gelais – absent
Karen Hollis - absent
Andrea Robins - absent

Special meeting "Nomination/Election called to order at 8:25 p.m. EST.

Nominations for all positions – e-mail list letting everyone know that individual emails will go out to each Canadian member asking for nominations. All emails sent out with read receipt and reply to be sent privately to Jacquie.

Once all responses are back Nomination forms will be sent out individually if needed.

The nominated people must be:
Member in good standing with our club (Chinese Sharp-pei Club of Canada)
Member in good standing with the CKC and resident of Canada.

Next Meeting April 3, 2006

Meeting adjourned at 8:40 EST, motion made by Sharon and seconded by Stephane.

Limestone Booster

July 27, 28, 29, 30,
2006

The Chinese Shar-Pei Club of Canada has arranged a booster in conjunction with the Limestone All breed show.

This show has a new venue this year, and members will be advised of the details at a later date. We do know there is camping and it will be in the Kingston area and is sure to be a nice one in July. We always have lots of dogs and people attending the Limestone show so decided to boost it.

We will have a traditional BBQ on the Saturday evening. All members are welcome!

It is a great 4 day show!

Mark your calendar!

BREED STANDARD

Origin and Purpose

It is generally accepted that the Chinese Shar-Pei originated during the Han Dynasty (202 BC-220 AD) in the village of Dah-Let near the South China Sea. These dogs were all purpose working dogs to guard the family, farms and temples.

General Appearance

An alert, dignified, active, compact dog of medium size and substance, square in profile, close-coupled, the well proportioned head slightly but not overly large for the body. The short, harsh coat, the loose skin covering the head and body, the small ears, the "hippopotamus" muzzle shape and the high set tail impart to the Shar-Pei a unique look peculiar to him alone. The loose skin and wrinkles covering the head, neck and body are superabundant in puppies but these features may be limited to the head, neck and withers in the adult.

Temperament

Regal, alert, intelligent, dignified, lordly, scowling, sober and snobbish, essentially independent and somewhat standoffish with strangers, but extreme in his devotion to his family. The Shar-Pei stands firmly on the ground with a calm, confident stature.

Size, Proportion, Substance

The height is 18 to 20 inches (45-50 cm) at the withers. The weight is 40 to 60 pounds (18-27 kg). The dog is usually larger and more square bodied than the bitch but both appear well proportioned. Proportion: The height of the Shar-Pei from the ground to the withers is approximately equal to the length from the point of breast-bone to the point of rump.

Coat and Colour

Coat-The extremely harsh coat is one of the distinguishing features of the breed. The coat is absolutely straight and offstanding on the main trunk of

the body but generally lies somewhat flatter on the limbs. The coat appears healthy without being shiny or lustrous. Acceptable coat lengths may range from extremely short "horse coat" up to the "brush coat", not to exceed one inch in length at the withers. A soft coat, a wavy coat, a coat in excess of 1" (2.5cm) in length at the withers or a coat that has been trimmed is a major fault. One coat type is not to be preferred over the other. The Shar-Pei is shown in its natural state. Colour-Only solid colours and sable are acceptable and are to be judged on equal basis. A solid coloured dog may have shading, primarily darker down the back and on the ears. The shading must be variations of the same body colour (except in sables) and may include darker hairs throughout the coat. A pigmented dog may have a darker mask on the face.

Head

Large, slightly but not overly, proudly carried and covered with profuse wrinkles on the forehead continuing into side wrinkles framing the face. Eyes Dark, small, almond-shaped and deep set, displaying a scowling expression. In the dilute coloured dogs the eye colour may be lighter. Ears Extremely small rather thick, equilateral triangles in shape, slightly rounded at the tips, edges of the ear may curl. Ears lie flat against the head, are set wide apart and forward on the skull, pointing toward the eyes. The ears have the ability to move. Skull - Flat and broad, the stop moderately defined. Muzzle - One of the distinct features of the breed. It is broad and full with no suggestion of snipiness. The length from nose to stop is approximately the same as from stop to occiput. Nose Large and wide and darkly pigmented, preferably black but any colour nose conforming to the general coat colour of the dog is acceptable. In dilute colours, the preferred nose is self-coloured. Darkly pigmented cream Shar-Pei may have some light pigment either in the centre of their noses or on their entire nose. The lips and top of muzzle are well padded and may cause a slight bulge at the base of the nose. Tongue, Roof of Mouth, Gums and Flews Solid bluish-black is preferred in all coat colours except in dilute colours, which have a solid lavender pigmentation. A spotted tongue is a major fault. A solid pink tongue is a disqualification (Tongue colors may lighten due to heat stress; care must be taken not to confuse dilute pigmentation with a pink tongue). Teeth - Strong, meeting in a scissors bite. Deviation from a scissors bite is a major fault.

Neck

Neck - Medium length, full and set well into the shoulders. There are moderate to heavy folds of loose skin and abundant dewlap about the neck and throat.

Forequarters

Shoulders - Muscular, well laid back and sloping. Forelegs - When viewed from the front, straight,

Breed Standard...continued

moderately spaced, with elbows close to the body. When viewed from the side, the forelegs are straight, the pasterns are strong and flexible. The bone is substantial but never heavy and is of moderate length. Removal of front dewclaws is optional. Feet - Moderate in size, compact and firmly set, not splayed.

Body

Topline The topline dips slightly behind the withers, slightly rising over the short, broad loin. Chest - Broad and deep with the brisket extending to the elbow and rising slightly under the loin. A level, roached or swayed topline shall be faulted. Back - Short and close-coupled. Croup - Flat, with the base of the tail set extremely high, clearly exposing an uptilted anus.

Hindquarters

Muscular, strong, and moderately angulated. The metatarsi (hocks) are short, perpendicular to the ground and parallel to each other when viewed from the rear. Hind dewclaws must be removed. Feet as in front. Tail - The high set tail is a characteristic feature of the Shar-Pei. A low tail shall be faulted. The tail is thick and round at the base, tapering to a fine point and curling over to either side of the back. The absence of a complete tail is a disqualification.

Gait

The movement of the Shar-Pei is to be judged at a trot. The gait is free and balanced with the feet tending to converge on a centre line of gravity when the dog moves at a vigorous trot. The gait combines good forward reach and a strong drive in the hindquarters. Proper movement is essential.

Major Faults

1. Deviation from a scissors bite.
2. Spotted tongue.
3. A soft coat, a wavy coat, a coat in excess of 1" (2.5 cm) in length at the withers or a coat that has been trimmed.

Disqualification

1. Pricked ears.
2. Solid pink tongue.
3. Absence of a complete tail.
4. Not a solid colour, i.e. Albino; Brindle; Parti-coloured (patches); spotted (including spots, ticked or roaning); Tan-Pointed Pattern (including typical black and tan or saddled patterns or shading that has a defined pattern i.e. distinct butterfly pattern on the chest).

HURRY...HURRY... GREAT SAVINGS FOR YOU!!!

Receive great savings by advertising in the WrinkleGram for one full year. Submit your ad choice in pdf or .jpg formats and payment to WrinkleGram Editor, Karen Hollis, 184 St. Lawrence Street E. Box 122, Madoc, ON K0K 2K0 Snail mail or e-mail your ad to karen.hollis@sympatico.ca

Send your completed ad to run in the WrinkleGram beginning with the January 2006 issue. Submit a different ad to run each time if you wish, or run the same ad each issue, however if the print deadline is not met the ad from the previous issue will be run!

Choice #1 - 1 year subscription ad rate includes: 6 full page photo ads (1 full page per issue of WrinkleGram/year).

Regular cost \$150.00 - 1 year subscription cost, only \$100.00

Choice #2 - 1 year subscription ad rate includes: 5 full page photo ads and 1 full colour front cover (reserve the month of issue except for the National issue)

Regular cost \$175.00 - 1 year subscription cost only \$150.00

Choice #3 - 1 year subscription ad rate includes: 5 full page photo ads and 1 full colour back cover (reserve the month of issue)

Regular cost \$160.00 - 1 year subscription cost only \$125.00

Choice #4 - 1 year subscription ad rate includes: 6 half page photo ads (1/2 page per issue of WrinkleGram/year)

Regular cost \$90.00 - 1 year subscription cost only \$65.00

Note: If ads are not submitted in finished pdf, word or .jpg format there is a \$50. design fee payable to Karen Hollis.

Procedures for Submitting Advertising

1. Send all advertising in pdf or .jpg format to: karen.hollis@sympatico.ca or mail to Karen Hollis @ 184 St. Lawrence St. E., Box 122, Madoc, ON, K0K 2K0. There is a \$50 fee for design of your ad payable by cheque or PayPal to Karen Hollis if not submitted in ready to print format.
2. Make all advertising cheques payable to: The Chinese Shar-Pei Club of Canada or use PayPal by using the e-mail address aniviger@sympatico.ca.
3. No ad will be accepted without full payment prior to issue of the WrinkleGram.
4. All photos that are to be returned must have your name and address on the back, accompanied by a stamped, self-addressed envelope.
5. The WrinkleGram is not responsible for errors in advertising. All efforts will be made to ensure accuracy of the copy.

Newsletter Policy

1. Only members in good standing with the CSPCC may advertise in the WrinkleGram.
2. The WrinkleGram will only accept promotional advertising for the Chinese Shar-Pei whose appearance is described as acceptable in the Official Chinese Shar-Pei Standard.
3. News of any awards or placements will be published for Shar-Pei owned by members only with exception of reports pertaining to CSPCC sponsored events.
4. No letters/articles will be published that may in any way, criticize any members of the CSPCC, his dog(s) or kennel, or the judging of any dog. All letters must indicate the author.
5. Any articles submitted must include the author. Any articles submitted to the newsletter that will entail considerable cost to publish must be approved by the Executive prior to publication.

WrinkleGram is the official newsletter of the Chinese Shar-Pei Club of Canada. There will be no fewer than two issues per year. Articles of interest, letters, etc. are to be sent to the editor. Telephone submissions are NOT acceptable. All advertising copy is also sent to the editor. The WrinkleGram editor reserves the right to accept, edit or reject any copy received for publication or advertising. Articles are the responsibility of the correspondent. Content does not necessarily reflect the policy of the CSPCC or the opinions of the editor.

Permission to reprint any article appearing in the WrinkleGram is hereby granted, unless otherwise stated. We ask that you credit the author of the WrinkleGram, also providing the editor with a copy of the publication.
